

Ms. Terrien: Please enter our email into the record. Thank you.

Dear Redistricting and Election Committee Members:

My wife, Carol, and I, are strongly opposed to a National Popular Vote Compact here in Michigan--or anywhere in the U.S. Our nation was founded as a republic and we must retain as much of that form of government as possible. We have already lost the right to have our state legislature choose our U.S. Senators. We can't afford to give up any other aspects of our republican government.

Please vote NO on any proposal to join the National Popular Vote Compact.
